

Insane Mary

Words and music: Bruce McGee

*Mary are you feeling sad
Are you feeling bad
For the life you've had*

*And Mary do you believe
The things they say
Are really true
Was it really you?*

Chorus

*And Mary walks the streets of New York
And no one there knows her name
And they all stand and they all watch
As Mary goes insane*

*Mary do you ever smile
Has it been a while
Are you in denial?*

*And Mary do the children see
That you are free
From reality*

Chorus
