

Still Searching

Words and music: R. Schneider

*Was that you I saw, on the street today?
You looked at me, but then walked away.
I search but cannot find you.*

*Or is that you, living right next door?
You say hello, but nothing more.
I search but cannot find you.*

Chorus

*I wonder what you are doing now. I wonder where you might be.
But most of all, I wonder, when I'll find you.*

*Do we share a hobby, do we share a friend?
Do you work beside me, till the day's at end?
I search but cannot find you.*

*Must you cross an ocean, before we meet?
Or do you live, just down the street?
I search but cannot find you.*

Chorus

*Well you know I'm ready, and the time is right.
So why can't I, find you tonight?
I search but cannot find you.*

*But somehow, some day, somewhere
I don't know how
I don't know when
But I'm gonna' find you
Yes I'm gonna' find you*
